Forecast For Wales
Issued by Met Office Exeter
at 0400 on Tuesday 27 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy with heavy thundery showers.

Today:
A rather cloudy day with one or two showers at first, which will break out more widely from late morning. Some heavy and thundery downpours this afternoon. Feeling cooler than recent days. Maximum temperature 21 deg C (70 deg F).

Tonight:
Showers soon ease in the south leaving a largely dry night with clear spells here. Further north, some showers will persist overnight and light rain is likely in the west. Minimum temperature 11 deg C (52 deg F).

Wednesday:
Sunny spells and showers throughout, the showers locally heavy and thundery during the afternoon. Showers gradually easing in the evening. Remaining cooler than recent days. Maximum temperature 20 deg C (68 deg F).

Outlook for Thursday to Saturday:
Thursday starts dry with sunny spells, although showers developing in the north and west. A blustery day. Sunny spells and showers on Friday and Saturday, with the brisk wind easing.
